Property Management Company Search

In November, Eric Steiner of Central Colorado Management resigned as the Enclave Estates property manager. The Board has conducted a search to find a new manager. Several companies were contacted for information and proposals.

Based on these proposals, the Board has selected Z and R Property Management Company to provide property management services beginning January 1, 2014.

Z&R has been in the property management business since 1982 and serves the communities of The Enclave at Broadmoor Glen and the Broadmoor Ridge.

Kerry Cantrell is our new property manager. You should have received information on Z & R for the immediate need to change your payment submittal address.

In addition, please complete the Contact Point Request Form. This information will help Z & R and your Board to be able to contact you in a timely manner.
